NOTICE OF SAINT-PETERSBURG THC INTRODUCTION

Dear Customers,
Dear Agents,

We would like to inform you that due to increasing of THCs on Saint-Petersburg Container Terminals with effect from 01.01.2014 following Terminal Handling Charges for standard/special equipment/IMO cargo in containers (the reimbursement of discharging/loading expenses of containers in the Port of Saint-Petersburg, VAT is according to Russia Legislation) under FESCO BALTORIENT LINE (FBOL) service will apply with effect from 01.01.2014:

Import at SPB/Ust-Luga:

1. USD 350/20'/40'/45' (standard/laden/empty/COC/SOC)
2. OOG COC/SOC (without oversight) – USD 450/cont., OOG (with oversight) – USD 850/cont.

Export from SPB/Ust-Luga:

1. USD 260/20'/40'/45' (standard/laden/empty/COC/SOC)
2. OOG COC/SOC (without oversight) – USD 350/cont., OOG (with oversight) – USD 750/cont.

If there is IMO cargo in containers above tariffs should be increased on 50% for import cargo and 25% for export cargo.

If standard containers cannot be discharged by spreader due to damage of corner castings above OOG tariffs with oversight are applied.

FOML will continue to keep Customers and Partners informed and provide the best service in the future. If you require any additional information please do not hesitate to contact us.

Faithfully yours,

On behalf of FESCO Ocean Management Limited.
